

**BLUEFIELD STATE COLLEGE
TECHNICAL STANDARDS
SCHOOL OF NURSING AND ALLIED HEALTH-BS NURSING**

Because clinical requirements in the BSN program are varied, students must meet the physical requirements standard for all working registered nurses. Reasonable accommodations will be provided for applicants with documented disabling conditions.

The student shall:

1. Be able to lift and carry up to 25 pounds.
2. Be able to distinguish between basic colors of red, green, yellow and blue.
3. Be able to stand, walk, and/or sit for a great percentage of the day.
4. Be able to reach above shoulder level constantly and below shoulder level frequently.
5. Be able to work indoors 100% of the workday.
6. Be able to work well with others and practice interpersonal skills. Be able to exercise independent judgment as well as work in a team environment.
7. Have a high stress level tolerance and mental alertness.
8. Be able to hear and see and have the ability to speak with patients and other health care workers.
9. Be able to adapt to variable clinical schedules.

I have reviewed the above technical standards. Based on my physical examination, I feel that (name of student) is competent to perform the said duties.
